# Shred, shake events to benefit Rotary efforts near and far

**Tracy Holmes**  
Staff reporter

South Surrey Rotarians are hosting a pair of fundraisers this fall, asking the community to support their endeavours to make the world a better place.

First up is a sensitive-document shredding event.

Set for 10 a.m. to 1 p.m. on Oct. 28 in the parking lot of the Ocean Park Safeway, it's

described as an opportunity to "declutter your home and secure your personal information."

Past shredding events have raised thousands of dollars and supported initiatives including sponsorship of a Canine Assistance Intervention dog and handler, as well as ongoing efforts in Cambodia and Thailand.

In November, the community is invited to shake their booties in support, at a Beatles tribute night set for Nov. 4 at the Crescent Beach legion.

In addition to music, the 'Ticket to Ride' evening is to feature a silent auction.

For tickets – \$60 – or more information on either event, call 604-803-0773 or 604-785-2538.
